

HJC LAKERS

Believe, Encourage, Challenge.

**CODY
CORNER**

Dates to Remember

- May 17: Professional Learning Day (No school)
- May 20: Victory Day, No School
- May 29: Carnival
- May 30: Grads Visit their Elementary Schools
- June 1: Grad
- June 5: Walk A Mile

Dear Laker families,

It has been another great week at HJ Cody. Our grads arrived at school on Monday a little less rested after having a great time at the annual Grad Wakeathon. Thank you to all the parents and staff who made this event possible. This morning our grads indulged in a delicious Grad breakfast that made our whole school smell delicious. These are fun events that our other students can look forward to when they are Laker Grads.

A special thank you to Sylvan Lake's First Responders who delivered important messages to our students about impaired and distracted driving yesterday. It was a critical message for our youth, especially with May long weekend and Grad celebrations around the corner.

Our Final Exam Schedule is now posted on our [website](#) with tutorial schedules soon to be posted as well. There are only 21 instructional days remaining prior to final exams. Please encourage your child to attend daily and complete all assigned and missing work. We want all of our students to finish the year strong. If you have any questions about your child's grade or missing assessments, please reach out to their teachers.

A reminder that free online tutorials are offered for students enrolled in the following courses; Mathematics 9, Biology 30, Chemistry 30, Math 30-1, Math 30-2, Physics 30, Social Studies 30-1, and English 30-1. Sign up [here](#) to access these free tutorials. This is an excellent tool and opportunity to support students in preparation for their Diploma exams and Mathematics 9 PAT. The deadline to register is May 24th.

There are a couple of ways that students can earn additional high school credits this summer with CESD:

Jump Start: Students going into grade 10 - 12 can now register for the free online Jump Start course. Students will learn the functions of Google Suites, earn credits and earn a free Chromebook. Click [here](#) to learn more and to register. The deadline for registration is June 12th. Note that students must register for the course with their CESD email accounts.

Summer Work Experience is an opportunity for students currently in grades 10-11 to earn valuable work-related experiences and high school credits. Students with summer jobs can register for Summer Work Experience by seeing Mrs. Bell or emailing her at dbell@cesd73.ca. The deadline to register is June 15th. Students must register for Summer Work Experience prior to the summer.

Summer School. More information will be coming shortly.

In order for grads to receive their caps and gowns during the week of May 27th, all outstanding fees must be fully paid. Please reach out to Ms. Fellows in the office to pay these fees or to myself with any questions or concerns.

Thank you for your continued support of our school community. Please do not hesitate to reach out if you have any questions.

Kind regards,
Alex Lambert, Principal

Diploma Exam preparation courses

Exce|erator

- For all diploma level courses and Math 9
- \$165 value - FREE for Chinook's Edge students
- Taught online in your home community
- Designed to help students succeed!

Chinook's Edge School Division is pleased to provide a high quality learning opportunity for students in all diploma exam courses, and students taking the Grade 9 Math Provincial Achievement Test (PAT), in June 2024.

In January 2024, Chinook's Edge partnered with Castle Rock Research Corporation to offer exam preparation courses, called Exce|erator, in some diploma exam subjects. In June 2024, we are pleased to **expand this offering to all diploma exam subjects, and Grade 9 Math.**

Diploma Exam preparation courses typically cost \$165 per course but will be **offered free of charge** to all Chinook's Edge Grade 12 students this semester. The Grade 9 Math course will also be free of charge. Also, this opportunity will be provided to students in their home communities, allowing participation without having to travel.

Each Diploma Examination preparation course will include instruction aligned to the curriculum and practice questions that mirror the diploma exam and PAT style questions. Educators will utilize thousands of questions to generate an immediate feedback loop to diagnose student strengths and learning gaps and create individualized learning plans for each student.

All courses will include test taking and time management strategies that will maximize student performance.

The Mathematics 30-1 and Mathematics 30-2 courses will also include a section on graphing calculator strategies and usage. **Each Diploma Examination preparation course will be 24 hours in length spread over six days. The Grade 9 Math session will be 12 hours in length spread over six days.**

All course instruction will be offered online by certified Alberta Teachers via Google Meet and is intended to supplement and support our Chinook's Edge teachers instruction and guidance. Course structure and technology requirements

- The courses will be online and synchronous, using Google Classroom as the platform.
- **Students will need to be registered with a personal Google email account which is not the same as their CESD email account.**
- Prior to the start of the courses, the student will receive an email from their Exce|erator course teacher (or teachers if enrolled in multiple courses) inviting them to the Google Classroom and will be provided with login details for the SOLARO Exce|erator course(s).
- Each student needs access to a computer since the courses will be conducted online.
- All sessions will be recorded so any student that misses a scheduled session can catch up by reviewing the recording.

To register: <https://castlerockresearch.com/excelerator-for-cesd>

To receive the 100% discount for students of Chinook's Edge School Division, please enter your discount code **CEEXC2024** for the Diploma Prep Course or **CEPAT2024** for the Grade 9 PAT Prep Course at checkout and the amount will be removed from your total.

Registration deadline: May 24, 2024

ROCK THE DIPLOMA

A power weekend of Diploma Exam prep for
Central Alberta high school students.

Please visit the LTCHS Career
Centre via the QR code or at:

www.rdpsd.ab.ca/lindsaythurber/page/6620/rock-the-diploma

Fee: \$135 per course

Certified teachers with significant curriculum experience provide the tools and expertise for these sessions. Along with study notes and practice exams, this program provides a very effective Diploma Exam review.

Registration is online and all courses are in person at Lindsay Thurber Comprehensive High School in Red Deer. For more information call 403-356-5315

WALK A MILE

Walk a Mile in Her Shoes is a Fundraiser for The Outreach Centre which provides services to our community.

The Central Alberta Women's Outreach Society (CAWOS) opened its doors in 1984 as an agency devoted to supporting women affected by family violence by providing the tools to create a safer, healthier and more secure life for themselves and their families. Programs have evolved to provide services to adults and children who are affected by domestic violence, suicide, homelessness and the effects of poverty.

Students, staff, participants and family members are encouraged to fundraise for this worthy cause. People can donate online at TheOutreachCentre.org or using a paper tracker for those who prefer cash and cheques. In the past, we have typically raised around \$5000 and we are significantly behind that mark this year. Please encourage your students to get involved and come join us if you can.

LET'S GO RURAL!

How Do I Get There?

TRANSITION FROM POST-SECONDARY TO PRACTICE

**Open to
high school
students
(grade 9-12)
in rural Alberta
interested in
Nursing.**

**WEDNESDAY, MAY 29
6:00 – 8:00 PM**

Join us to learn more about a career in rural nursing after high school. In this session, discover how to transition to practice after your post-secondary nursing graduation. Hear firsthand experiences that will inspire you to take the next step towards your dream career.

Click here to register.
