Dear Laker families,

Yesterday our school and community participated in our annual Walk A Mile in her shoes event. It was wonderful coming together as students, staff, and community members for a great cause. A big thank you to our Interact students and Ms. Routhier for spearheading this meaningful event.

Congratulations to our Laker Athletes who were celebrated at the Athletic Awards ceremony last evening. We are proud of our Lakers and the ambassadors that they are for our school.

In-class final exams have started. Please view our [website](#) for the final exam and tutorial schedules. With only 8 full instructional days remaining, it is critical that students attend all classes to ensure that they are finishing all assessments and engaging in review that will help them do their best on their final exams.

[Jump Start](#), [Summer Work Experience](#), and [Summer School](#) are three ways that students can earn additional credits over the summer. Students interested in Work Experience must see Mrs. Bell as soon as possible to register and complete the necessary paperwork.

Please join us in the Fine Arts Centre this evening for the final Band concert at 7 pm. Mr. Thornton is excited to showcase the hard work and talent of his Band and Jazz Band students.

Thank you for your continued support of our school community. Please do not hesitate to reach out if you have any questions.

Kind regards,
Alex Lambert, Principal

GRADE 9 TIME CAPSULE

DO NOT OPEN UNTIL JUNE 2027

DUE: June 27, 2024

What is it?-A time capsule! Each student currently in grade 9 who chooses to participate will write letters to their classmates and collect letters from friends and family. The time capsule will be “unearthed” for grad in June 2027, on the last day of classes.

Who is participating?-All current Grade 9 students.

What can go into the time capsule?-Letters and notes from parents, guardians, siblings, grandparents, aunts, uncles, cousins, nieces, nephews, friends, family friends, neighbours, coaches, teachers, and anybody that plays an important role in your child’s life

- Photos and pictures
- Any memorabilia, including drawings, art, poems, and creative writing done by the student (anything that showcases his or her current abilities)
- Favourite sayings or mottos
- A letter from students to themselves

What should not go into the time capsule?-Anything bulky (nothing thicker than photographs; CDs could be included!)

Final Tips-Feel free to place letters in envelopes, but please **do not seal** the envelope, as each letter will be skimmed to ensure that letters are not only directed to the correct student, but that there is no risk of bullying or negativity. This is not intended as an invasion of privacy, but rather to guarantee that each student has an overwhelmingly positive experience.

NEW: If students bring letters for their OWN time capsule directly to their teacher, there will be no need to skim them, and envelopes may be sealed.

- While we hope that students take the time to write and collect letters, we do not wish for the time capsule to distract them from their class work or studying for final exams.

Where can letters be dropped off?-To the bin in your FIRST BLOCK CLASS or to THE OFFICE.

Thank you for taking the time to consider this project. It is truly a unique experience for each student, and has become a tradition at École H.J. Cody School. If you have any questions or concerns, please do not hesitate to contact the coordinator of the project, Kelsey Wilson, at kwilson@cesd73.ca. Thank you again for your participation.
